

Library Print Journal Collection Usage Survey (28/03/2006)

Dear all,

The Library is facing a book budget reduction this year. In order to utilize the limited resources, the Library will conduct among faculty members a "Library Print Journal Collection Usage Survey". We will email the questionnaires directly to the members of each Faculty/Centre with the appropriate links for completion. Please kindly take a few minutes to complete the questionnaire and then submit it to us by 7 April 2006. Thank you.
